Hi Rich--

Just wanted to get some basic info on EPA's involvement in the situation in Pavillion, which I know has been going on for a while.

I'm happy to speak around 4:15 if that works? Or we could chat tomorrow morning.

I'm in touch with the Wyoming state folks.

Let me know what works in terms of timing from your end.

Thanks very much.

Dan

Hi Dan-- can you let me know what you need clarification on? I'm in a training session til 4pm but can try and connect with folks via email. The meeting in Pavillion this week is being coordinated by the Wyoming Water Development Commission. <http://wwdc.state.wy.us/> EPA will be in attendance.
